

Petition – Please return completed petitions to: **Heatherdale Community Action Group**, PO Box 109, EAST RINGWOOD VIC 3135

or HCAG, c/o 34 Good Governs Street, MITCHAM VIC 3132, or email signed, scanned copies to hcag@iinet.net.au

This petition calls for the speed limit on Heatherdale Road and all link roads in Whitehorse to be reduced to 50 kmh.

This reduction in speed limit is required for:

Consistency

- The current limit between Whitehorse and Canterbury Roads is 60kmh, compared with the Dampier Grove extension (north of Whitehorse Rd) and Heatherdale Rd south of Canterbury Rd which are both 50kmh.

Safety and amenity

- Many vehicles, including large trucks (with slow acceleration), other commercials and cars access and egress Heatherdale Rd.
- Large trucks use Heatherdale Rd, and they are often not able to stop quickly.
- Many vehicles (trucks, other commercials and cars) park along Heatherdale Rd, blocking and limiting sight lines.

- The petition details must be on top of **EVERY** page.
- Must be a person living in **Whitehorse, Maroondah** or close proximity as applicable.
- Must be a full name and street address.
- More than one person per address can sign.
- **“Dittos”** are **NOT permitted** and will not be counted.
- Phone number is optional.
- All entries must be legible and in ink (not pencil or easily erasable entries).
- Signatures must be legible, and normal signature used.
- Blank rows are acceptable if there are insufficient signatories.

[illegible]
